

M. MAKASHIF

MOTION GRAPHICS DESIGNER

About Me

I am always excited to do creative work. I also manage my time in a proper way so things do not get scattered. I am able to handle multiple tasks on a daily basis. I am always energetic and eager to learn new skills. I am a caring and honest person.

Education

Intermediate in Computer Science

I learned a lot of knowledge from my mentors. They help me reach the place where I stand now.

2018

Experience

SocioON - Video Editor

I increased company graphics in videos and work with dedication.

2019

Kollaage Concepts - 3D Creator

I used 3D blender software to create innovative and realistic 3D Landscapes, Roads, Green Chowk and Belt, Stalls, and e.t.c.

2020

Bloomrix - 2D Animator

I used After Effects to create flat 2D Animations. Basically I made Observances (Internation Celebrating Days) videos.

2021

Radium 360 - Motion Designer

I made high-tech animations with vfx effects and sfx sounds and at the applied stunning color gradings with matching background music
